## CONDITIONS OF HIRE

- \* You must use the lock provided. Any foreign locks will be removed.
- \* Trimester hire commences from Week 1. Your key or combination lock needs to be returned by the Friday of the second week of the examination period. This date will be specified by Student Guild reception staff.
- \* To terminate the use of the locker, ensure all belongings are emptied from your locker. You must return the lock/key to the Student Guild no later than the agreed date. Once the lock/key is returned your deposit will be refunded. If the lock is not returned by this date, your deposit will be forfeited.
- \* If you think you may want to continue hire of your locker for a following trimester, you must notify the Student Guild of your intention and make full payment before the end of your current hire expiry date.
- \* The Student Guild is not responsible for loss, damage or theft of property. Your belongings remain your responsibility and are left at your own risk.

### Early Termination of Locker:

You may terminate the hire of your locker at any stage by returning the lock/key to the Student Guild. Ensure all your belongings are emptied from the locker. Once the lock/key is returned, your deposit will be returned.

You will lose the unused portion of your hire cost.

### Lost keys/locks:

Subject to replacements costs. The deposit may be forfeited or a replacement cost charged. This is dependent on the type of lock/key.

Bike locker keys incur a maximum replacement cost.
